In addition, to best serve both our internal and external customers, it is important that our management team understands and is sensitive to the diversity of the people we serve.

### **EXAMINATION INFORMATION**

A minimum rating of 70% must be attained to obtain list eligibility. Hiring interviews may be conducted with the most qualified candidates. All candidates will receive written notification of their

examination results. The result of this examination will be used only to fill the position of **Deputy Director, Center for Chronic Disease Prevention and Health Promotion**, with the **CALIFORNIA DEPARTMENT OF PUBLIC HEALTH**. Applications will be retained for twelve months.

*The results of this examination will be used only to fill this position.*

The examination process will consist of a Supplemental Application. Applicants are required to respond to the following six supplemental items. These supplemental items are designed to identify job achievement in specific areas that demonstrate ability to successfully perform at the CEA B level. Responses to the supplemental items will be assessed based on pre-determined job-related rating criteria. In appraising the relative qualifications of candidates, consideration will be given to the extent and type of pertinent experience and education over and above that required under the minimum qualifications.

Each applicant for this examination must submit responses to all six supplemental items that follow in hard copy format. Supplemental responses and your application must be postmarked, personally delivered, or received via interoffice mail by the final filing date. Applications received without responses to the supplemental items will be rejected.

When responding to the supplemental items, applicants must follow these guidelines:

- Your responses must be typewritten or generated by word processing on 8 1/2" x 11" paper, using no smaller than a 12 point font.
- Your responses must be limited to one page per item.
- Identify each page with your full name.
- Make sure your responses are complete, specific, clear, and concise.
- Answer each numbered item separately indicating the corresponding item number for each response.

#### SUPPLEMENTAL APPLICATION ITEMS:

1. Describe your experience dealing with high level managers and policy makers within the Executive Branch, the Legislature, control agencies, and local health departments.
2. Describe your experience working with non-governmental stakeholders and advisory groups to help develop state policies and programs.
3. Describe your ability and experience in conducting broad based policy analysis and developing crosscutting strategic policies including possible involvement of multiple departments, agencies and legislative staff.
4. Describe your experience in overseeing, leading and managing a professional multidisciplinary team.
5. Describe your ability and experience in addressing public health and environmental health policies pertaining to the health status of California's population.
6. Describe your experience in conducting policy analysis and developing strategic policies and plans regarding specific issues affecting California's population in the following areas: Mortality reduction due to chronic environmental and occupational diseases, injuries and associated risk

factors; promoting healthy lifestyles; encouraging the reduction of health-related risk-taking behaviors; and promoting informed discussion in these areas of public health with stakeholders and the public.
